WHY BUY WOOD ?

NATURAL

TIMBER IS AN EXCELLENT CHOICE OF NATURAL BUILDING MATERIAL DUE TO ITS MANY BENEFITS. IT IS NON-TOXIC, DOES NOT RELEASE HARMFUL CHEMICALS INTO THE BUILDING, AND IS COMFORTABLE TO TOUCH AND HANDLE.

HEALTH

RESEARCH HAS DEMONSTRATED THAT BEING IN THE PRESENCE OF WOOD IN YOUR SURROUNDINGS, BE IT AT HOME, WORK, OR SCHOOL, HAS BENEFICIAL EFFECTS ON HEALTH. A RECENT STUDY REVEALED THAT EXPOSURE TO WOOD PRODUCTS AND INTERIORS CREATED SIMILAR POSITIVE OUTCOMES AS SPENDING TIME IN NATURE.

WELL BEING

ENHANCED EMOTIONAL STATE AND SELF-EXPRESSION. DECREASED BLOOD PRESSURE, HEART RATE, AND STRESS LEVELS. COMPENSATED AIR QUALITY DUE TO MODERATING HUMIDITY, LEADING TO EASIER BREATHING. FEELING OF COZINESS AND COMFORT.

TENSILE STRENGTH

WOOD HAS A STUNNING STRENGTH-TO-WEIGHT RATIO, MAKING IT REMARKABLY LIGHT YET STILL STRONG. ADDITIONALLY, IT HAS GREAT RIGIDITY, MEANING IT CAN FLEX WITHOUT BREAKING. BECAUSE OF THESE QUALITIES, IT IS A GREAT OPTION FOR HEAVY-DUTY PROJECTS SUCH AS STRUCTURAL BEAMS.

RECYCLABLE

WOOD IS AMONG THE FEW NATURALLY-OCCURRING, RENEWABLE BUILDING MATERIALS. THE CYCLICAL PROCESS OF HARVESTING AND REPLANTING FORESTS FOR LUMBER PRODUCTION GUARANTEES THAT WOOD WILL REMAIN AVAILABLE AND DOES NOT BREAK DOWN INTO ENVIRONMENTALLY-DAMAGING MATERIAL.

DURABLE

TEAK IS ONE OF THE MOST DURABLE WOODS IN THE WORLD, THANKS TO ITS HIGH DENSITY, TIGHT GRAIN, AND NATURAL OILS. IT'S RESISTANT TO ROT, DECAY, AND INSECT DAMAGE, MAKING IT IDEAL FOR OUTDOOR APPLICATIONS LIKE DECKS, FURNITURE, AND DOORS.

WHY CHOOSE US?

WE LISTEN

we understand your unique needs. then leverage our expertise to craft custom solutions that perfectly align with your vision.

WE DESIGN

we translate your requirements into a stunning and functional design. We present drafts for your feedback and incorporate your revisions seamlessly.

WE BUILD

with skilled and experienced professionals, we ensure exceptional quality control throughout the manufacturing process.

WHY MAHAVIR WOOD INDUSTRIES?

**ORIGINAL & GENIUN
SOURCING**

SELECTING THE RIGHT TEAK WOOD

African Teak wood VS Amerian Teak wood

AFRICAN TEAK WOOD	AMERICAN TEAK WOOD
• SOURCE : Ghana, Benin Togo, Tanzania, Sudan, Nigeria, Liberia • CONTENT: More of OIL content and less of water content in Teak because grown in equator region and surrounded by desert region typically warm climate • PRICE: Affordable comes with different Quailty and price, price is higher than american teak • QUALITY: Less chance of bend crack Twist Weight loss because it has more of oil content which benefit it character	• SOURCE : Brazil, Cost Rica, Panama, Columbia, Ecuador, Bolivia • CONTENT: More water content and less oil content in Teak because grown in ICE continent and cooler climatic condition • PRICE: lesser in price compare to African Teak and also has different price range and Quality • QUALITY: more chance of Bend, Crack, Twist, Weight loss due to it character as wood dry water content is reduce and behavior change

BE AWARE :

- Itis difficult and may not be possible to physical differentiate between African and American teak wood as both look similar in colour texture and grains because of the same appearance they sell American teak as Ghana teak or other similar African native name
- In order to find the genuineness of the product simply ask for Certificate of Orgin (COO) which state from which Place the goods are imported
- With more than two decades years of experience and expertise we find that African teak has an edge over the other teak wood in similar price range as we have received least number of complain in the product

CERTIFICATE OF ORGIN

CERTIFICATE OF ORIGIN

1. Goods consigned from (Exporter's business name, address, country)

2. Goods consigned to (Consignee's name address, country)

3. Means of transport and route (as far as known)

4. For official use

5. Harmonised system (HS) code

6. Marks and numbers of packages

7. Number and kind of packages : description of goods

8. Origin criterion (See the instructions to the form)

9. Gross weight or other quantity

10. Number and date of invoices

11. Declaration by the exporter

12. Certification (this field may be left blank)
